SAMUI
VILLA FLORA

SAMUI

Samui is one of Thailand's most talked about islands. Situated in southern Thailand, it is easily accessible from Bangkok by air, train and bus, or it can be easily reached by rental car. It has been blessed with an abundance of beauty and charm, both in its surroundings and in the warmth of the local Thai inhabitants. It is a gem that has been partially polished with a glimmer of sophistication, yet its innocent beauty is untouched.

SAMUI VILLA FLORA

The Samui Villa Flora Hotel is situated at the northern end of Chaweng Beach, in clear view of the coral island of Matlang. The Hotel contains 80 spacious rooms in low rise buildings and 24 double-room bungalows. Each tastefully decorated room is air-conditioned, equipped with a minibar, refrigerator and television. Each room has an attached modern bathroom and is supplied with a hair dryer.

At Samui Villa Flora Hotel guests can relax, listen to the wind rustling in the palm trees and enjoy the beauty of the gracefully curving white sandy beach. The Hotel's patios, swimming pools and refreshment areas will make this a memorable experience.
